MEDIA PACK 2019

Our ethos

Launched in June 2014, British Muslim TV is a dynamic channel, committed to creating engaging, relevant and fully-representative content to move and inspire British Muslims.

Broadcasting 24 hours a day, and available to watch free on Sky channel 762, Freeview 264 and stream online, British Muslim TV is an exclusive destination for high-quality programming that is focussed on the British Muslim community.

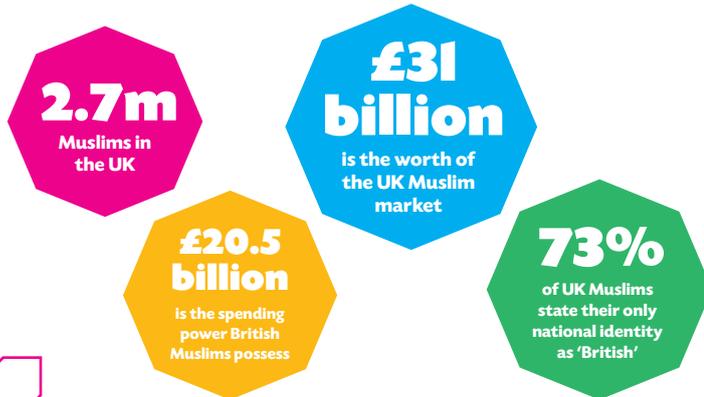

We believe that empathy is best created and sustained through sharing real, human stories and in the world's current climate, we take great pride – as British Muslims – in creating an inclusive, non-sectarian narrative that is both comfortably British and confidently Muslim.

Our market

Muslim market: at a glance

There are currently 1.6 billion Muslims in the world, two-thirds of whom are under 30. The global Muslim population is expected to reach 2.8 billion in 2050, becoming a quarter of the world's total population.

A State of the Global Islamic Economy Report forecasts the halal food and lifestyle industry to be worth \$2.6tn (£2.1trillion) by the end of this decade; Muslim travel to be worth \$233bn (£192bn); and Muslim fashion to be worth \$230bn (£189bn), with \$54bn (£44bn) spent on cosmetics alone in 2014. As the Muslim pound grows, brands across the globe are recognising the power of marketing to Muslims.

UK Muslim market

There are an estimated 2.7 million Muslims in the UK. Despite only 47% of these Muslims having been born in England and Wales, 73% of them state their only national identity as 'British' (MCB). British Muslim TV is the perfect vessel through which to reach these British Muslim consumers.

The UK Muslim market is worth £31 billion, with British Muslims possessing a spending power of £20.5bn (MCB). Muslims in Britain are young, affluent and growing, with independent Muslim markets like fashion, travel and food set to grow substantially over the next decade.

More than 90% of Muslim consumers say their faith has had some influence on their purchases (Ogilvy Noor). If ever there was a time to invest in this lucrative market, it is now.
